EU 1 KNX

Item no.: 4942542

KNX
KNX Secure

Description

- 1-way flush-mounted actuator for electric heating 16 A, KNX TP, Data Secure
- Easy installation due to the compact housing
- Secure communication via with support of „KNX Data Secure"
- For direct connection of electric heating with high switching capacity
- Integrated temperature controller can also be configured as an additional heater
- Additional stage function for simple control of a second heat generator
- 2 binary inputs for floating contacts such as buttons, switches, temperature sensor (I2)
- Integrated temperature monitoring for increased operating safety, e.g. in the event of overload
- The binary inputs are assigned to the dimming output as standard (function test before programming)

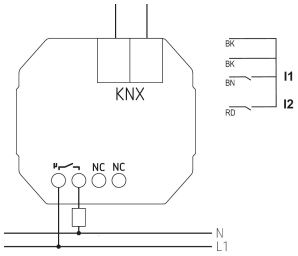

Technical data

	EU 1 KNX
Operating voltage KNX	Bus voltage, <4 mA
Installation type	Flush-mounted
Number of channels	1
Type of contact	16 A

	EU 1 KNX
Ambient temperature	-5°C ... 45°C
Type of protection	IP 20
Protection class	II
